My signature below attests:

To the accuracy of the information supplied above.

That the material submitted is my (our) sole and original work.

To my (our) agreement to hold the Rosicrucian Order, AMORC harmless from, and defend them against, all claims, demands, losses, costs, damages, judgments, liabilities and expenses (including attorney's fees) arising out of or in connection with any designs or plans submitted to the Rosicrucian Park Native Plants Design contest or any gardens developed out of such plans.

That I understand that the Rosicrucian Order, AMORC will not return my submission materials, although I may pick them up if my design is not chosen.

That I understand the Rosicrucian Order, AMORC reserves the right to offer no award if an insufficient number of entries are received or if none of the received entries meets the specified criteria.

That providing false or misleading information on this application, or failing in any other way to comply with the rules of the competition, may subject me (us) to disqualification, forfeiture of prize money and/or other penalties.

Signature: _____ Date: _____

Please be sure to include the following items with your entry form:

- Design Summary
- Drawings with recommended plants and other landscape features. Drawings should represent how the design will look in different seasons.
- Budget
- Irrigation plan
- Maintenance plan
- Other resources needed
- Possible funding and suggested partnerships

Please send your entry form and all materials to: operations@egyptianmuseum.org
Or to: Native Plants Contest; Rosicrucian Park; 1342 Naglee Ave; San Jose, CA 95191

ROSICRUCIAN PARK NATIVE PLANTS
LANDSCAPE DESIGN CONTEST

Design Summary

Please include a brief statement (3 pages or less) of how your design meets the following goals:

- 1. Conserve resources, especially water*
- 2. Provide an environment that attracts wildlife, including pollinators and songbirds*
- 3. Include plants and landscape features that are in harmony with the surrounding architecture and that can grow with already established plants*
- 4. Enhance the beauty of Rosicrucian Park*
- 5. Enhance the educational experience for guests at Rosicrucian Park*
- 6. Reduce maintenance costs, including environmental costs that result from using lawnmowers and other wasteful practices*
- 7. Serve as a model for the community*
